NOMINEE'S CONTRIBUTION

Please attach a one- to two-page description of the nominee's contribution to providing quality, cost-effective health care services. Discuss how the nominee's work led to improvements in the following areas:

- Ensuring access to care for all Washington residents
- Increasing customer satisfaction
- Improving the quality of clinical care, including preventive care
- Reducing the costs of services and passing savings on to consumers
- Developing creative and innovative ways to deliver services
- Providing leadership in achieving excellence in health care

In all cases, please be specific about the outcomes that resulted from implementing any improvements and how those outcomes were measured. Provide data where possible.

You may submit documents, published articles and letters in support of this nomination.

The nomination form and accompanying materials must be postmarked, hand-delivered, faxed or sent by electronic mail on or before May 1, 2007. Please send all materials to:
